Benefits of Wearing Postpartum Diapers

Easy to take off and put on

Soft and molds to your body shape

Offers extra support for new mothers

Convenient, disposable option for busy moms

Is It Normal To Leak Urine After Giving Birth?

No, postpartum bladder leaks are never normal, but they’re very common. Reach out to your doctor if you’re experiencing leaks after giving birth.

How Long Should You Wear Diapers Postpartum?

If you’re experiencing leakage, how long you need to wear incontinence supplies varies.
